## VACANCY ANNOUNCEMENT

Reference No: NAG/HR-VA-047/2019

### 1. Background

Network Activities Group (NAG) is a national registered non-government organization under the Home Affairs of Myanmar and established in 2008 of post Nargis Cyclone period. In fostering our vision “Emergence of a peaceful, prosperous and dignified society that values equity and diversity”, NAG focuses on the Governance Approach, intending to necessary changes of various stakeholders and existing practices towards good governance which is essential and core for the sustainable development and win-win solutions for all stakeholders. Accordingly, NAG has engaged stakeholders of all levels and different areas including local, regional and national government departments, trying to promote interaction, good relations, and eventually coordination and collaboration among them. Given that nature of facilitating and coordinating activities, and creating networks of development efforts with partners, and promoting governance among relevant stakeholders, NAG implements livelihood, natural resources management and rural development programs and projects in Central Dry Zone, Coastal and Delta, Hilly Region and South Eastern Part of Myanmar.

NAG is implementing Piloting Local Economic Development (LED) Project in Kungyangon Township, Yangon Region. The project is funded by World Bank, and it will build on National Community Driven Development Project (NCDDP) being implemented by the Department of Rural Development (DRD) under the Ministry of Agriculture, Livestock and Irrigation (MoALI) of Myanmar Government. The overall objective of the pilot project is aiming to achieve local economic development in the rural area of Myanmar. The expected outcome is to develop a relevant methodology for Local Economic Development Model to integrate with existing NCDDP. There are three interrelated outputs; (1) improved productivity and market linkages; (2) strengthen capacity of community groups and associations; and (3) effective collaborations with key departments and private sector players.

NAG project team conducted the capacity needs assessment (CNA) for community groups and associations in order to strengthen them. As a result of capacity needs assessment, Organizational Management and Leadership Training is one of the highest priorities to provide for the groups and associations members. Therefore, NAG is looking for the committed Trainer for the training.
