1. Project Background

The project aims to strengthen farmers and laborer's capacities and assets growth, enhance collective action and build market relations to enhance income and resilience. The project explicitly aims to target women labourers, women farmers as well as women entrepreneurs with nutritious agri-food businesses toward improved women economic positions. The project will work with the private sector, namely input suppliers, financial and non-financial service providers, and pulses buyers, to provide products and services that will sustainably improve the sustainable livelihoods of our beneficiaries.

The objective of the project will be achieved through establishing farmer development associations and women groups, increasing the quality and productivity of pulses production, and strengthening the capacity of RFDA and its members.
